

Project on E-Fixed Deposit of Agile Scrum

Q1) Make a product backlog of user stories for the given case study. User Stories should be in the format of As a <type of user>, I want <goal> so that <reason>

Ans) The Product backlog of user stories for E-Fixed Deposit are mentioned below:

- a) As a user, I want login page of ABC Bank shall have labels of username and password along with two text fields as well as login and Register as new user button so that user can successfully login inside the ABC Bank
- b) As a user I want My Accounts label has to be visible on the first page of ABC Bank so that customers can view the Total Balance, Credit Cards, Loan Types and E-Fixed Deposit in drop down
- c) As a user, I want My Accounts label has to be red in colour and clickable so that it display the Total Balance, View Bank Statements and new Deposit Creation in a drop Down
- d) As a user, I want credit cards label has to be underline and black in colour so that it can show the various credit card types in a drop down
- e) As a user, I want Loans Label has to be underline and black in colour so that it will display the various loan types in drop down
- f) As a user, I want E-Fixed Deposits has to be clickable and black in colour so that it display the FD Maturity Amount in the drop down

These are some of the epics of the E-Fixed Deposit

- 1) Login-Page
- 2) Accounts Page
- 3) My Accounts Drop Down
- 4) Credit Cards
- 5) Loans
- 6) E-Fixed Deposits

The below mentioned are the screenshots of the epics and product backlog user-stories

Acceptance Criteria:

- a) The E-Fixed Deposit has to be underline and black in color
- b) When the user clicks on the E-Fixed Deposit it must open the browser window with ABC Website with E-Fixed Deposit as header in the browser window
- c) There has to be a logo of ABC which must be visible to the user
- d) For opening the Fixed Deposit, user must enter the Savings Account Number in the Text Box

Details: Assignee: Unassigned, Reporter: SP Shivani Priya, Labels: None, Priority: Medium

Created April 25, 2023 at 5:13 PM, Updated April 26, 2023 at 11:42 AM

The screenshot shows the Jira Software interface for a project named "ABC Bank E-Fixed Dep...". The left sidebar contains a navigation menu with sections: "PLANNING" (containing "ABEFD board", "Roadmap", "Backlog", "Active sprints", "Reports") and "DEVELOPMENT" (containing "Issues", "Components"). The "Issues" section is currently selected. The main content area displays a list of requirements for "ABEFD-12":

- a) The E-Fixed Deposit has to be underline and black in color
- b) When the user clicks on the E-Fixed Deposit it must open the browser window with ABC Website with E-Fixed Deposit as header in the browser window
- c) There has to be a logo of ABC which must be visible to the user
- d) For opening the Fixed Deposit, user must enter the Savings Account Number in the Text Box
- e) There has to be a label of Savings Account Number associated with yellow text box, Account Balance associated with yellow text box, Type of Fixed Deposit with Tax Savings, Special Fixed, Regular Income, Senior Citizen, Flexi Fixed and Corporate Fixed in a combo box menu
- f) There has to be a label of FD Calculator associated with a text area
- g) The text area of FD Calculator shall contains the label of age, amount for FD Creation and Maturity Amount associated with white text boxes
- h) There has to be a yellow submit button placed under the amount of FD Creation label

Below the list is a comment box with a "SP" icon and the text "Add a comment...". A "Pro tip: press M to comment" message is displayed. The right sidebar shows the "Details" panel for the issue, including fields for Assignee (Unassigned), Reporter (Shivani Priya), Labels (None), and Priority (Medium). It also shows the "More fields" section with "Story Points, Original estimate, Time..." and the issue's creation and update timestamps.

This screenshot is similar to the one above, showing the Jira Software interface for the same project. The list of requirements for "ABEFD-12" is updated with an additional item:

- i) User shall be able to select one option from renew fd for same tenure and Credit Maturity Amount to my Savings or Current Account which is attached with Maturity Instructions for FD Label

The rest of the interface, including the sidebar, comment box, and details panel, remains the same as in the previous screenshot.

ABEFD board - Roadmap - Jira

ABEFD-12

g) The text area of FD Calculator shall contains the label of age,amount for FD Creation and Maturity Amount associated with white text boxes

h) There has to be a yellow submit button placed under the amount of FD Creation label

i) User shall be able to select one option from renew fd for same tenure and Credit Maturity Amount to my Savings or Current Account which is attached with Maturity Instructions for FD Label

j) There has to be a label of Mobile Number associated with white text box and email id with white text box outside the text area of FD Calculator

k) There must be a link of Update email id

l) There has to be a checkbox with I have read the terms and conditions of Joint FD creation for ABC Bank Caption

m) There has to be two yellow command buttons with submit and cancel caption
